CAMILLE M. ANTINORI

DEGREES

- Ph.D. Agricultural and Resource Economics, University of California, Berkeley. 2000.
- M.S. Agricultural and Resource Economics, University of California at Berkeley. 1993.
- M.S. Sea Use, Law, Economics, and Policy Making, London School of Economics, London. 1985.
- B.A. International Relations, University of Pennsylvania. 1984.

DISSERTATION

Title: *Vertical Integration in Mexican Common Property Forests*
Committee: Gordon Rausser (Chair), Irma Adelman, Louise Fortmann, Brian Wright
Area of special interest: natural resource governance

RESEARCH EXPERIENCE

- Visiting Economist, Department of Agricultural and Resource Economics. University of California, Berkeley. 2006-present.
- Principal Investigator, National Survey of Community-Managed Forests in Mexico Project, in conjunction with Florida International University, Instituto Nacional de Investigaciones Forestales, Agrícolas y Pecuarias, and Centro de Investigaciones y Docencia Económicas, 2002-present.
- Senior Research Associate, Energy Analysis Program, Lawrence Berkeley National Laboratory, Berkeley. 2002-2005.
- Postdoctoral Researcher, College of Natural Resources, University of California, Berkeley. 2001-2003.
- Postdoctoral Fellow, Energy Analysis Program, Lawrence Berkeley National Laboratory, Berkeley. 2001-2002.
- Academic and Field Coordinator, Reforms to the Forestry Industry and Community Development in Indigenous Populations of Oaxaca Project, in conjunction with the Universidad Nacional Autónoma de México and Universidad Autónoma de Chapingo. 1996-99.
- Graduate Student Researcher, Department of Environmental Science, Policy and Management, University of California - Berkeley. 1995.
- Graduate Student Researcher, Agricultural and Resource Economics Department, University of California - Berkeley. 1993.

TEACHING EXPERIENCE

- Property Rights and Collective Action in Natural Resources with Application to Mexico”, Mexico City, June 2007.
- Principles of Microeconomics, Department of Economics, San Francisco State University. 2006-present.
- Intermediate microeconomics, graduate student instructor, Department of Economics, University of California - Berkeley. Fall 1999.
- Health economics, graduate student reader, Department of Economics, University of California - Berkeley. Spring 1999.
- Introductory microeconomics with emphasis on natural resources, graduate student instructor, Department of Agricultural and Resource Economics, University of California - Berkeley. Fall 1994.
